

PRESS RELEASE QUERDENKEN-711: FEDERAL OFFICE FOR THE PROTECTION OF THE CONSTITUTION IS OBSERVING THE CITIZENS' MOVEMENT QUERDENKEN

Posted on 30. April 2021

Stuttgart/29.04.2021. The Federal Office for the Protection of the Constitution places parts of the Querdenken movement under observation. Obviously, it has problems in its political classification system. The peaceful democrats of the Querdenken demonstrations belong to the middle-class of society, who supposedly "threaten" the political will of the federal government. We are neither right-wing nor left-wing extremists, nor criminals or terrorists. For this reason, the intelligence service "invents" the new, helpless and clumsy category of the critically thinking, uncomfortable, responsible citizen: "delegitimization of the state where relevant to constitutional protection".
